
NEW PROTOCOLS FOR ENTERING THE STUDIO

We're so excited to be able to have you back in the studio to dance! Please read through the safety protocols below for entering the Attitudes Dance Suite and read the [Health & Safety Protocols](#) on our website. These new protocols have been put in place to create a safe environment for all of us. If you have any questions prior to your class, please contact us.

Thank you for keeping your Attitudes team, your dancers, and all of our families safe as we return to dance!

Dawn

PRIOR TO CLASS

- Dance bag - Please pack only your essential items you need that day.
- Water - Please bring your own filled water bottle.
- Mask - Please wear a mask and have an extra in your bag in case the first one gets damp from exercise.
- Clothing - Please have your dance clothes on when you enter the building. The dressing room is closed.

DROP OFF/PICK UP

- To minimize the number of people in the building, please drop your dancer off at the front building door wearing a mask and already dressed in dance clothing (except dance shoes). Your dancer will meet you at the front building door when class is over, so please be on time to pick them up.

WAITING FOR YOUR DANCER

- The building lobby and waiting room are CLOSED. Parents/guardians will not be permitted to wait anywhere inside the building. Monitors in the waiting room will not be on.

ENTERING THE STUDIO SUITE

- Implied consent - Anyone entering the suite is consenting that they do not nor does anyone in their household have any [symptoms related to COVID-19](#), and that they have not been outside the state in the last 14 days (or provide a negative test result).
- Masks are required at all times when in the studio suite. Please provide an extra mask to your dancer to change into in case the first one gets damp.
- Hands - If you wish to wash your hands before entering the suite, the restrooms are open. Dancers will be required to sanitize their hands upon entering the suite.
- Shoes - Please remove your shoes, jackets and other non-dance related clothing in the waiting area and store them in the cubbies provided. If it's raining, please bring a plastic bag to put them in.
- Belongings - Place items to be taken into the studio in a bin (should only be your water bottle, your extra mask, and any needed dance shoes)

PAYMENTS

- If you need to make a payment in person, please let us know ahead of time when possible so we can keep the number of people in the front desk area to a minimum. Touchless payments can be made by Venmo, PayPal, check or credit card. No cash will be accepted.

DANCERS ENTERING THE STUDIO

- You will be given a color and directed to a spot in the room or at the ballet barre by your teacher. Please put your bin on the same color as you are standing. For example, if you are standing on a blue star, you would place your bin on a blue spot.
- When class is over, the teacher will let you know when you can pick up your bin and leave the room.
